FOR IMMEDIATE RELEASE

Christopher A. Dragone Joins Hanson & Ryan Inc. As a Commercial Insurance Producer

Hanson and Ryan, Inc. (Totowa, NJ) has announced that Christopher A. Dragone has joined the firm as a Commercial Insurance Producer.

As a licensed insurance producer, Mr. Dragone will be responsible for the acquisition and maintenance of commercial line clients. In coordination with the entire staff at Hanson and Ryan, he will be offering a full line of commercial insurance including Property, General and Excess Liability, Worker's Compensation, Commercial Auto, Professional Liability, Inland/Ocean Marine, Flood, Bonds, and a variety of special programs. "After nine successful years as a financial consultant focusing on life, disability and long-term care insurance, I am very excited to expand my insurance practice with Hanson & Ryan," commented Mr. Dragone.

Mr. Dragone comes to Hanson and Ryan following nearly ten years with AXA Advisors, LLC, where he was a Financial Consultant providing financial planning for individuals and business owners. He is a graduate of Passaic Valley High School, later earning both his BS and MBA degrees from Seton Hall University having graduated Cum Laude with honors.

“We are pleased to add Chris Dragone to our professional team,” states Terry Ryan, Hanson & Ryan’s President and CEO. “With his years of experience and thorough knowledge of insurance products, Chris has a proven track record of developing trusting and meaningful client relationships.”

Mr. Dragone resides in Totowa where he is a parishioner at St. James Church. He is a member of the South Monmouth Board of Realtors and volunteers his time for the Muscular Dystrophy Association. When not working, Chris enjoys various recreational activities including travel, sports, museums and history.

Hanson & Ryan, Inc. is New Jersey’s oldest, privately held independent insurance agency offering a complete line of insurance products covering personal, business, health, life and financial planning services. The firm is presently completing its 134th year in business.
